The Batting Lab is a brand-new indoor facility providing access to high tech cricket training equipment. Here at the Lab we have state-of-the-art BatFast™ virtual reality batting simulators, accurately control pace, swing or spin at the touch of a button. The option of soft or hard balls makes our simulators suitable for all ages and playing ability.

### 30 MINUTES UP TO 100 BALLS

Take on our simulator for 30 minutes non-stop. Replicate the same delivery 100 times or let the machine automatically vary each ball to really challenge you.

**£20.00**

### 60 MINUTES UP TO 200 BALLS

Need longer than 30 minutes? An hour against the simulator is perfect for the more experienced cricketer!

**£40.00**

### ELITE ONE TO ONE COACHING
